Fort Myers, FL

USGA Rules Govern All Play

Local Rules

- Embedded Ball rule is in effect anywhere in the general area (Rule 16.3).
- Environmentally sensitive areas are Penalty Areas marked by red stakes that have a green top. Please refrain from entering these areas. You may take free relief, not nearer to the hole, if your stance is in an environmentally sensitive area and the ball lies outside of this area. However, you may not take free relief if your ball lies in a Penalty Area.
- The boundary of the Penalty Area is determined by red or yellow lines. Red stakes may also identify Penalty Areas that border cart paths. In the absence of a red line, the edge of the cart path nearest the Penalty Area will determine where the Penalty Area begins.

David Kent
General Manager/COO

Tim Knowles
Head Golf Professional

Paul Bacon
Golf Course Superintendent

- Ground under repair is defined by white lines.
- Out of bounds is determined by white stakes. In absence of white stakes, out of bounds will be determined by golf course property.
- Please take relief from staked trees as an immovable obstruction, except in a Penalty Area.
- Stones in bunkers are movable obstructions: (Rule 24-1) applies.
- Drop zones are provided on #3, #11, & #14.
- Sprinkler heads- Local Rule Appendix 1-4 applies: Relief without penalty when sprinkler head(s) are within 2 club lengths of the putting surface and the ball lies within 2 club lengths of the sprinkler heads.
